Mr. Thomas K. Latimer
Special Assistant to the Secretary
and Deputy Secretary of Defense
Room 3E941, The Pentagon
Washington, D. C. 20301

Dear Mr. Latimer:

On 9 October 1975, the House Select Committee on Intelligence requested a variety of documents relating to economic intelligence. Among those documents are:

25X1

b. Interagency Memorandum, "Military Potential and Political Consequences of French Arms Sales in the Middle East," dated 4 March 1974.

After careful review, we have determined that these documents can be released to the Committee on loan and under the conditions set forth in Mr. Colby's letter to Chairman Pike of 30 September 1975. Since these documents are interagency documents, we would like your views as to their releasability at the earliest possible time.

Sincerely,
